

# NDU Pasefika

*Talofa lava, Kia Orana, Malo e lelei, Fakaalofa lahi atu, Taloha ni, Ni sa bula, Greetings*

NDU Pasefika supported the May Day March along with many other Unionist who walked up Queen Street to celebrate the achievements of workers and the 40hour working week on May 1st.

Also NDU Pasefika members took up a great invite from the Runanga to attend their Hui in Rotorua. Presentations from each Union, SFWU, Unite and NDU, were made, outlining their Union ideals and process. There were great discussions around creating a united front and being Maori.

Special thanks to NDU Runanga for the warm welcome and hospitality.

NDU Pasefika also held informal BBQ inviting members from SFWU and Unite. The main purpose was for Fono members to engage with organisers and officials. Unite took up the initiative and held a BBQ at their Office a week later. NDU Pasefika would like to acknowledge Unite in having a BBQ and we wish we could many more.

## National Fono Conference

Its time again where we need to get organised for our national fono, If you want to be on the organising committee to help and organise this event please contact Mark Muller and Terry Tuiletufuga 09 622 8357.

## NDU PASEFIKA Convener

**William Latu**

Sadly we have to say farewell to our Convener William Latu. William Latu achieves a lot in his time as convener. William Latu has seen in great developments in our Fono, the start of our new database, help in the organising of Fono events and promotions of activities and also the representation on the national executive.

A Big special Fa'fetai (Thank you) for the work William has done, good news is William will still be a fono member and will still be a big supporter of Fono and Union.

GOOD LUCK ALL THE BEST Uso
